**About Goshen Community Care**

Since 1986, Goshen Community Care has served the older adult members of our community and surrounding areas by offering supportive care services in times of need. We organize and offer engaging programs to promote the mental, physical and social well-being of our older adult population, coordinate community care services for those in need, provide assistance from those who return home from hospital stay or are housebound, offer transportation to medical appointments, loan medical supplies and equipment, and offer bereavement support. Through the support of donors like the Archbishop's Annual Appeal, we can continue to offer these critical programs and services to our rural community.

**About the Archbishop Annual Appeal**

Since 1981, the Archbishop's Annual Appeal has been able to assist countless people – regardless of race, religion, or color—across the Archdiocese of Hartford with health care, education, housing, emergency expenses, and in numerous other areas. It is through the Archbishop's Annual Appeal Vicariate Outreach Program and the generosity of its donors that the Appeal is able to assist a wide array of community-based charities throughout Hartford, New Haven, and Litchfield Counties.
